[redacted] presented a briefing on the FTD assessment of the Soviet Long-Range Threat. The briefing and discussion lasted most of the morning.

Item 2 -

The minutes of the 19 September meeting were reviewed and approved.

Item 3 -

The Secret version of the SIC Study on the Soviet CW Capabilities will be sent to members within the next week or so for telephone concurrence.

Item 4 -

Since NIE 13-8-68 was postponed a month by USIB, contributors to the SIC were advised that their contributions need not be sent to the SIC until 22 November instead of 25 October.
